Have a fun-filled and NEW experience for your birthday party this year!  
We do birthday parties for all ages and all kinds of themes. We have had Spiderman, Indiana Jones, Mad Scientist, Army, Nature, Fairy, Leprechaun, SPA, beauty pageant and 60's Groovy parties.  
You name your theme, we'll do it!

**All you need to provide is the cake.**

We supply the fun, the meal, the paper products to match your theme and most importantly...the clean-up!
